

# 10 Ways to be a traveler

## Find a Destination

Think about the destinations often forgotten. Where tourism doesn't drive the economy along with the tourist spots.

STEP  
01

STEP  
02

## Be Interactive

Experience the native culture wherever you go just by interacting with people. Talk with the locals as much as possible

## Access local Transportation

Do not be afraid to use public transport. You will meet people, see amazing sights, go to places that you might not otherwise and you'll save money..

STEP  
03

STEP  
04

## Communication

Try to learn the language basics. You'll find learning the local language can make your travel experience much more enjoyable..

## Taste the local recepies

Ask a local for recommendations. Eat what is in season in their style rather than our same regular diet..

STEP  
05

**"Tourists get guided by the guides which were once written by a Traveler"**

## Less luggage more comfort

To make traveling easy and enjoyable, you need to get rid of the big chunk of your physical belongings.

STEP  
**06**

STEP  
**07**
